

NHCC Nursing Program Costs

Tuition, Books, and ATI Software

• Tuition

Pre-Nursing Courses(11 courses) Tuition per Credit: **\$213.09 X 40 credits**

Nursing Program Courses(8 courses)Tuition per Credit: **\$228.97 X 35 credits**

Total Tuition is about **\$16,537.55**

*The tuition includes only in-person college-level courses as well as the fees of technology, parking/security, student life, LeadMN, and student health services.

• Books

General Education Book Fees: **\$805**

Nursing Program Digital Book Fees: **Year 1: \$740.00 - \$1010.00, Year 2: \$370.00 - \$505.00**

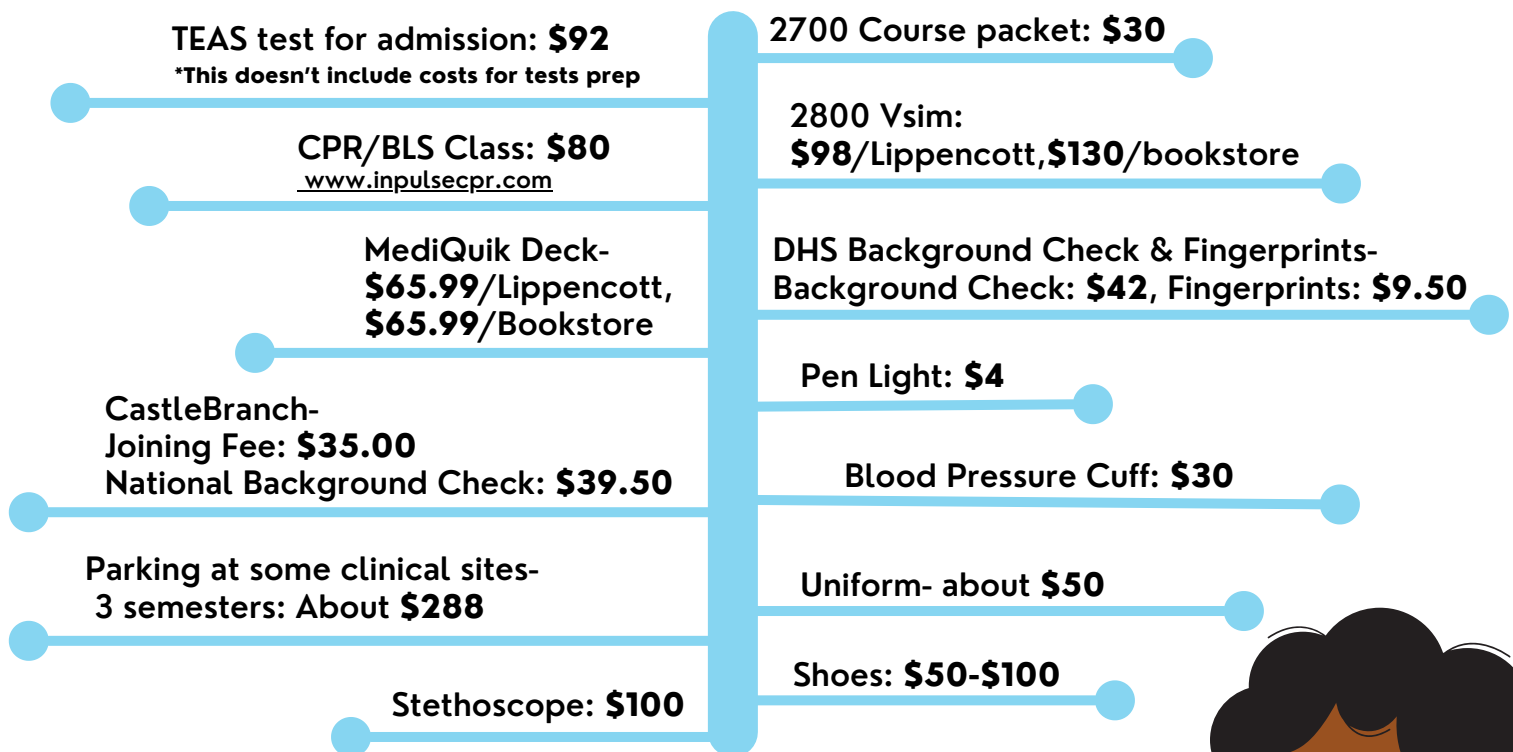

Total for books is about **\$2,315.00**

• ATI Software

\$505.00 per semester x 3 semesters in the program

Total for ATI software **\$1,515.00**

One Time Fees

Estimated Total for Associates Degree in Nursing at NHCC (about 5 semesters) = \$21,367.55

**NOTE: There may be some additional costs or changes in costs as these are just estimates. These costs are based on the costs for the 2021-2022 academic year. The costs also include only college-level general education courses so if a student needs to take courses below college level based on placement, costs could increase. The TEAS test is also required for admission into the nursing program so if a student takes that exam more than 1 time the costs will increase.
