

# **Logging into WebEx from Web**

## **What is WebEx**

WebEx is a Web-based collaborative technology that allows users to share resources (documents, desktop, web browser, applications, etc.) remotely and communicate with each other using voice, video and chat. This technology is available to faculty and staff and may be accessed using your StarID credentials.

## **What is WebEx Used For?**

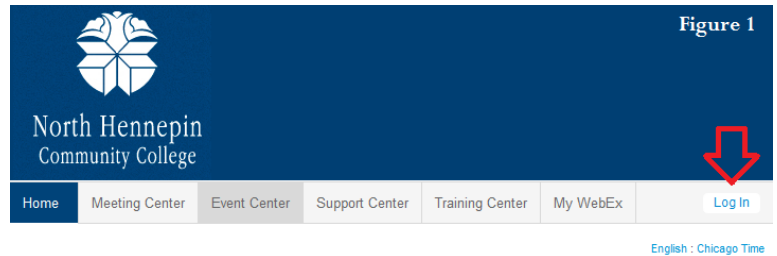

WebEx may be utilized by both faculty, Staff, and students. Below are a multitude of uses for this technology on both the academic and non-academic side:

- Conducting on-line courses
- Advisor/advisee interaction
- Communication between students and instructors during office hours
- Recruitment, including face-to-face meeting with prospects, graduate applicants, etc.
- Guest lecturers and presenters
- Class coverage while away (instructor in a box)
- Communicating with service staff
- Collaborate with colleagues across campus or across the country
- Meet online and share files, information and expertise
