Dear Colleagues and Students:

These are ever-changing times. We know there are a number of hurdles to overcome; collectively we will accomplish the Chancellor's directive and guidance by focusing our efforts on these two priorities:

- **To safeguard the health, safety, and welfare of our faculty, staff, and students**
- **To enable students to complete the spring semester and progress toward their educational goal**

We expect to provide a COVID-19 update to the campus weekdays (until further notice).

**NON-FACE-TO-FACE INSTRUCTION CLARIFICATION**

Beginning March 30, 2020, NHCC will continue as planned and offer most instructions in the non-face-to-face modality AND select courses will occur in the classroom. The instructors and students for the in the classroom modality have already been contacted. For further questions, faculty should contact their respective Dean; students should contact their instructors.

**Better Together,**
