Engaging students, changing lives

April 30, 2021

Dear Colleagues and Students:

These are ever-changing times. We know there are a number of hurdles to overcome; collectively we will accomplish the Chancellor's directive and guidance by focusing our efforts on these two priorities:

- **To safeguard the health, safety, and welfare of our faculty, staff, and students**
- **To enable students to progress toward their educational goal**

POSITIVE COVID-19 CASES

We had six students and two employees report positive COVID-19 tests. We had three possible exposures.

RETURNING TO CAMPUS PLANNING

As planning begins for returning to campus this fall, we will share plans as they become available.

- There are no updates to report.
