Engaging students, changing lives

June 4, 2021

Dear Colleagues and Students:

These are ever-changing times. We know there are a number of hurdles to overcome; collectively we will accomplish the Chancellor's directive and guidance by focusing our efforts on these two priorities:

- **To safeguard the health, safety, and welfare of our faculty, staff, and students**
- **To enable students to progress toward their educational goal**

POSITIVE COVID-19 CASES

This week we had no students or employees test positive for COVID-19.

RETURNING TO CAMPUS PLANNING

As planning begins for returning to campus this fall, we will share plans as they become available.

- On May 14, 2021, Governor Walz issued [Executive Order 21-23](#) stating that all people who have not been vaccinated are strongly encouraged to wear a face covering in accordance with the Minnesota Department of Health and Centers for Disease Control Prevention recommendations until they are fully vaccinated. Minnesota State will not be requiring masks at any of the colleges or universities this includes NHCC. We will have new signs by the doors that encourage people who have not been vaccinated to wear masks.
