Engaging students, changing lives

September 11, 2020
8:30 a.m.

Dear Colleagues and Students:

These are ever-changing times. We know there are a number of hurdles to overcome; collectively we will accomplish the Chancellor's directive and guidance by focusing our efforts on these two priorities:

- **To safeguard the health, safety, and welfare of our faculty, staff, and students**
- **To enable students to progress toward their educational goal**

COVID-19 DASHBOARD

The System Office's COVID-19 dashboard will go live this week and will track and report COVID-19 cases throughout Minnesota State. We will provide a link to the dashboard on the [COVID-19 landing page](#) as soon as it's available.

SPRING 2021 PLANNING

The System Office has provided initial planning guidance for spring semester. This guidance will be reviewed by the Provost, Academic Deans and Pandemic Task Force before making a recommendation for the college. More soon.

MASKS FOR STUDENTS AND EMPLOYEES

As a reminder, students and employees can pick up two (2) masks upon entry to campus from the Public Safety Officer on duty. Masks are issued on the honor system. If you telework, and/or your students take classes online, please do not come to campus for the sole purpose of picking up masks.

Better Together,

Stephen E. Kent

Vice President of Finance & Facilities
