Engaging students, changing lives

April 28, 2020
4:30 p.m.

Dear Colleagues and Students:

These are ever-changing times. We know there are a number of hurdles to overcome; collectively we will accomplish the Chancellor's directive and guidance by focusing our efforts on these two priorities:

- **To safeguard the health, safety, and welfare of our faculty, staff, and students**
- **To enable students to complete the spring semester and progress toward their educational goal**

We expect to provide a COVID-19 update to the campus Tuesday and Thursday (until further notice).

STUDENT & EMPLOYEES FEES FOR SPRING 2020

After careful consideration and in-depth discussion with the President's Cabinet and Executive Team, NHCC will not be issuing reimbursements or credits for student or employee fees collected during the Spring 2020 semester. These fees include, but are not limited to, parking, health service, technology, and student life. We understand students and employees may not have had 100% (daily) access to the services, but please understand many of the services are fixed costs. If you have concerns, please contact me.

Better Together,

Stephen E. Kent
Vice President of Finance & Facilities
