Engaging students, changing lives

Dear Colleagues and Students:

These are ever-changing times. We know there are a number of hurdles to overcome; collectively we will accomplish the Chancellor's directive and guidance by focusing our efforts on these two priorities:

- **To safeguard the health, safety, and welfare of our faculty, staff, and students**
- **To enable students to progress toward their educational goal**

MULTI-LANGUAGE SIGNAGE

The System Office has developed COVID-19 signage in Hmong, Spanish, and Somali. NHCC delights in that great news and will post signage at our building entrances and major intersections (within our buildings) to assist our diverse populations. We expect these to be posted in the coming weeks.

COVID-19 DASHBOARD & REPORTING

The Minnesota State COVID-19 case reporting dashboard has been posted to our [website](#) and can be [viewed here](#). We noticed our most current data is not being reflected and have notified Minnesota State. Note: You will not be penalized if you report a positive case of COVID-19 to the college. We welcome you to report positive cases so we can partner with you and your faculty to meet your educational needs while keeping everyone as safe as possible.

MASKS AND FACE COVERINGS

Just a friendly reminder to wear your mask/face covering on campus in public spaces, and please remind colleagues and students, "for your safety and the safety of others, please wear your mask properly."

Better Together,

Stephen E. Kent
