Engaging students, changing lives

March 23, 2020
3:30 p.m.

Dear Colleagues:

These are ever-changing times. We know there are a number of hurdles to overcome; collectively we will accomplish the Chancellor’s directive and guidance by focusing our efforts on these two priorities:

- To safeguard the health, safety, and welfare of our faculty, staff, and students
- To enable students to complete the spring semester and progress toward their educational goal

We expect to provide a COVID-19 update to the campus weekdays (until further notice).

PERSONNEL ACTIONS

MMB has authorized paid COVID-19 leave outlined in the attached memo for all employees. Employees should talk to their supervisor or dean if they have any questions.

FAQs & academic learning resources:
Visit the Student Resources page to view FAQs and tools students can access to optimize during non-face-to-face instruction.

Non-face-to-face instruction to start March 30, 2020
Students should begin to receive updates from their instructors via their NHCC email as to how their courses will be delivered and any expectations tied to the successful completion of this course. If a student does not hear from their instructor by Wednesday, March 25, 2020, please contact the appropriate Academic Dean; they can find their contact information at [https://www.nhcc.edu/contact-us/contact-deans](https://www.nhcc.edu/contact-us/contact-deans). If students have questions about which Academic Dean they should contact, please email their Academic Advisor and/or Information Center at info@nhcc.edu.

Additional Questions/Concerns?
If students have questions/concerns, the COVID-19 website is a great resource ([https://www.nhcc.edu/coronavirus](https://www.nhcc.edu/coronavirus)), and they can email other questions to info@nhcc.edu.
